

YEAR 1

YEAR 1

Coming up after half term...

20.02.23

Maths

Next week the children will be thinking about partitioning two digit numbers into tens and ones. This term we are consolidating our knowledge to 20 and extending our knowledge of numbers to 50. For some children this is a new challenge. If an opportunity becomes available to help your child with their numbers to 50 please discuss the value of the tens and ones.

English

*Next week we will be using our knowledge of the spelling rule s/ es to create a list.
We will be using the poem 10 things in a wizards pocket to help us think of nouns to use.*

Phonics

Next term

New GPC's: tch (ch) ture (ch) al (ar) a (ar)

Tricky Words: Because, eye

Reading

Next week we will be starting our new story The Artist.
We will be thinking about the events in the story and ordering them together.

Topic

PSHCE: Next week we are thinking about what makes us special and celebrating our talents.

Art: In Art we will be thinking using our knowledge of sketching techniques to create a sketch of a flower,

Computing: We will be continuing our new topic and creating our animated stories.

Science: Next week we will be thinking about different types of plants and recording two that we see on our plant hunt.

PE: We will be continuing our new units, gymnastics and sending and receiving.

Geography: In Geography we will be extending our knowledge of the oceans.

Additional notes and reminders

Homework: Please revise the phonics we have covered this week.

Naming uniform/ resources: Please ensure your child's things are named so we can easily identify any lost item's owners.

Just a reminder that hedgehogs and Squirrels now have library on a Friday.

Next week hedgehogs will have PE on Monday and Friday, this will not be a permanent change.

If you are running late and arrive at school past 9:00 am please ensure you sign in at the office.

Requests: If you have any junk modelling please donate to the classes.

Upcoming dates

Friday 3rd March - World Book Day Celebration

Don't forget your child can still participate in the 'Read a Rainbow' Reading Challenge. All the children need to do is pick 7 books to read (or listen to), one for each colour of the rainbow. The colour might link to the front cover, it could be in the title, a character might wear the colour or it might link to the author. For example, your child might choose to read a book all about fire engines for the colour red or a book about pirates sailing the sea for blue. The children can be creative with how the books link to each of the colours. Each child who completes the rainbow challenge will get a special sticker and all completed entries will be put into a prize draw to win an exciting book. Completed entries need to be handed into your child's class teachers by Thursday 2nd March where the winner will be drawn during Friday's whole school assembly.

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
