

RECEPTION

RECEPTION

To finish our dinosaur topic and to celebrate all the wonderful learning the children have done, we would like to invite parents/carers to come and view our dinosaur museum on **Thursday 8th February at 2.30pm**. Unfortunately, this is the only time that each class' dinosaur museum will be open. Do not worry if you are unable to make it as the children will be bringing home all of their creations at the end of the term.

Coming up next week...29/01/2024

Learning in school:

Theme for the Term: Dangerous Dinosaurs!

We are going back in time to widen our knowledge about dinosaurs. We will be looking at the similarities and differences between the dinosaurs, their size and features. We will also be learning facts using non-fiction books and learning how to look after dinosaurs.

Theme for the Week: Harry and the bucketful of dinosaurs

In our language sessions, the children will be learning to orally compose a sentence using the who, doing what, and what as prompts for their sentence structure. Each child will spin a simple sentence about their dinosaur's epic escapades which we will then write down on postcards! We will be focusing on letter formation, sounding out and writing down all the words in our sentences.

Phonics:

This week we will be recapping the digraphs and trigraphs we have learned previously and will be learning to read longer words.

Maths:

In math, we're continuing our learning about doubles and will also be learning about odds and evens.

Additional notes and reminders

We are excited to announce, in April we are changing our catering provider from Twelve15 to PS Catering. We have met with the PS catering team and they are eager to be a part of The Mead Infant and Nursery School environment. We will be communicating more about this in the coming weeks.

Class email addresses:

turtles@mead.surrey.sch.uk

starfish@mead.surrey.sch.uk

jellyfish@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
