

YEAR 2

YEAR 2

Coming up next week...11/12/2023

Immersion week

The children have really enjoyed our 'Come and Explore With Me' topic this half term and learning all about the Arctic and the Antarctic. To bring together and consolidate all their learning, we will be having an immersion week. Children will be creating the Arctic and the Antarctic in tuff trays using a range of different materials. Children will also be creating the different animals that live there using different resources and they will write about how the animal they have chosen has adapted to living in the cold climate. Children will also be transforming peg dolls into Arctic and Antarctic explorers and making tents with the flags of their countries on top or to stick in the snow! Children will make a globe from a paper plate labelling the Arctic and Antarctic and they will create their own class fact book full of fascinating facts that they have learnt over this half term and the facts that they discovered when doing their homework. The children will end the week by presenting their creations and findings to Mrs Creasy!

Topic

RE: Children will be learning about 'What we could give this Christmas?'

Computing: Children will continue their computing module for this half term, which is called 'Creating Pictures'.

Music: Children will continue their music module for this half term, which is called 'Orchestral instruments. Theme: Traditional Western stories'.

PE: For this half term, we will be looking at Dance and Fundamentals.

Homework

Please look inside your child's homework book for this week's homework slip. Thank you.

Additional notes and reminders

Class email addresses:

Please do not use these email addresses to tell us about changes to pick up, as we do not always have the opportunity to check the class email addresses during the school day.

Leopards: leopards@mead.surrey.sch.uk

Bears: bears@mead.surrey.sch.uk

Monkeys: monkeys@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
