# RECEPTION

**Coming up next week...12/7/2021**

**Year R will be having their sports morning on Monday 12th July. Please can all children come dressed in their PE kits on this day. All children will need to wear trainers or plimsolls.**

*Learning in school:*

**Topic: Journeys**

Our journey theme this week will be a little closer to home than last week, as we reflect back on our learning through Reception and then look forward to continuing our learning journey on into Year 1. Also, with us fast approaching the summer holidays, we will spend some time thinking about the journey nature has made through the different seasons since September and learn about key features of summer. As part of this topic we will learn about sun safety too.

This week, we will also be having a class sports days where we will be taking part in some sports day activities e.g. running races and aiming challenges etc.

*Home learning (for children self-isolating):*

- How would you describe summer? What do you do during the summer months? Watch this clip for some more ideas.

- Can you design your own flag? Think about the colours, patterns and shapes you could use.

*Phonics:*

This week in school, we will be continuing phase 4 phonics and we will be applying our knowledge in various different contexts relating to the story 'Duck and the Truck' by Jez Alborough.

*Maths:*

This week, we are going to be focusing on 2D shapes. We will be recapping their names and using the vocabulary 'flat', 'side' and 'corner' to describe them as well as using them to create 2D pictures.

*Home learning (for children self-isolating):*

- What 2D shapes can you remember? What this video and see what shapes you can find in the pictures.
