

Hedgehogs Remote Learning Plan 9/7/21

Message from your teacher

Hi Hedgehogs

I hope that you are all keeping well. It's Friday today, so it is the last day of home learning. 😊😊
You have three videos to watch today. I have made a Phonics video, Mrs Patel has made another Art video and Mrs Warner has made a fun workout video for you.

I hope that you enjoy today's activities and I am looking forward to seeing you all on Monday.

Love from,
Miss Hodgson

Daily tasks

Below are tasks for each subject area for you to complete with your child today. Included are:

- ***suggested tasks for phonics/grammar/spelling, English & Maths***
- ***suggested tasks for a topic area***
- ***Purple Mash activities***
- ***Please also read with your child today, you can access reading books from Rising Stars or Oxford Owls online.***

Please copy and paste the link below to access today's resources in the Google Drive

https://drive.google.com/drive/folders/1jmgFGYHAWuGRWumMu48wA_TjsqNVj33U?usp=sharing

Phonics

Today your child will revisit all the Phase 5 sounds that we have now learned and then we will be recapping all the ways to make the '(y)oo' sound that we have been looking at this week, **u-e, ue and ew**

Your child will be practising reading and writing words with this grapheme and applying what they have learned by writing a sentence.

I have made a video for this phonics lesson that your child can watch on the link below.

<https://www.loom.com/share/c64b891388024ccdacadaa10c0ef9ff9>

A copy of the slides is also saved in the Google drive.

Your child will need a pencil and a piece of paper to complete the activities.

Extra Activities:

There are also daily Letters and Sounds phonic sessions on YouTube, should you wish to complete these as an alternative or extra activity with your child.

Please click on the link below and then scroll down to find the Summer Term Year 1 Lessons.

https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw

The new daily phonic lesson is uploaded each day at 10.30am.

(Please do remember that using YouTube means that we do not have any control over adverts etc that may play so please supervise your child when doing so)

Today your child will be making a poster about their likes / loves.

Ask your child how Chrissy and Annie felt about the Bog Baby in the story. Hopefully they will remember that they loved him so much. Explain to them that today they are going to have a think about the things that they love.

It might help your child if you share with them the things that you love the most. After talking about their ideas, can your child then have a go at making a poster of the things that they like / love.

This could include family, friends, pets, favourite toy, favourite food, favourite activity, favourite place etc

They may like to write their name in the middle of a piece of paper and then draw all the things that they love around it. Please encourage your child to label their drawings.

Extension activity

Can your child write some sentences to explain why they like / love the things that they have drawn. Can they use the word 'because' in their sentences.

Time - o'clock

Please click on the link below to start the teaching video. During the video there will be times when you need to pause it, to allow your child time to complete the activity. The accompanying worksheet for this teaching video is saved in the Google drive. Your child may like to complete the questions on the sheet when prompted during the video or alternatively complete them all at the end.

<https://vimeo.com/564566153>

Extra activity

If your child is confident with o'clock times, then they could have a go at completing the half past activity. There is another video on the link below and an accompanying worksheet saved in the Google drive.

<https://vimeo.com/564566837>

Challenges

If your child is ready for an extra challenge then they can complete the worded problems saved in the google drive. These challenges will help them to develop their reasoning and problem solving skills. If your child has just worked on o'clock times today, please just select the o'clock worded problems for them to solve.

Purple Mash

There are two 2Do activities set today. One is practising o'clock times and the other one is practising half past times. Your child does not have to complete both, if they have only worked on o'clock today then they could just complete that 2Do.

PE

As today would be our PE day if we were at school, Mrs Warner has made a great 'Mrs Warner Workout' video for your child to join in with at home.

There are four links to the different parts of the workout. These links are saved on today's Purple Mash blog.

Art

In Art today, we will be looking in more detail at the illustrations in our Bog Baby story. We will be focussing on one particular picture which is saved in the Google drive. Your child will be having a go at recreating this picture using a technique called pointillism. This is where tiny dots are used to create an image.

Mrs Patel has made a video demonstrating the activity.
