

NURSERY

NURSERY

Coming up next week 17/5/21

Learning in school:

Topic: Watch me grow...

Our broad beans have started growing and we're very excited to see how tall they are getting!

Measuring

We have used unifix cubes to measure how tall our beanstalks have grown. This week we will continue to watch, water and measure our beanstalks. By the end of the week we hope to be able to have a competition to see which beanstalks are the tallest and we will attempt to put them in order of size.

Seeds

Following on from our explorations with different seeds last week we have become interested in what foods have seeds inside. We will chop up a variety of fruits and vegetables to see which have seeds inside...

Story time

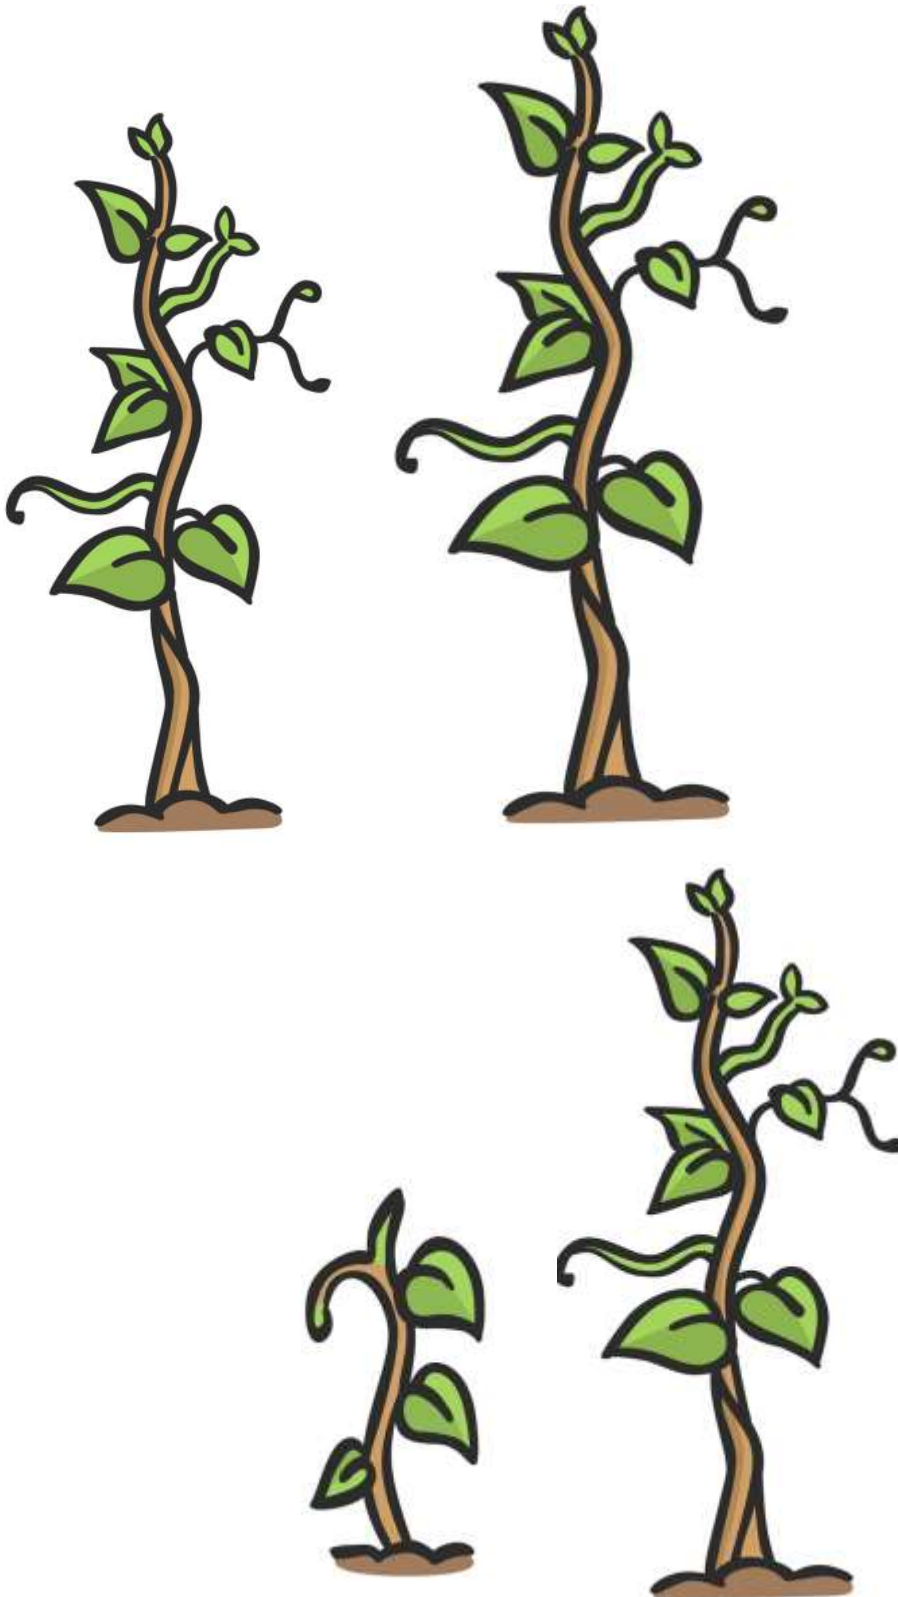

We have just recently enjoyed becoming story tellers, creating our very own Penguin Nursery story telling book. This week we will continue to create some more 'shows' acting out some of these stories!

Keeping safe

We will focus a lot of our time on remembering how to keep safe in the classroom and outside. We will revisit how to wash our hands with the well know Peppa Pig song! We will remind children of how to catch our germs with a tissue and 'catch it, kill it, bin it'. We will ventilate the classrooms all day and spend as much time as possible outside, so please make sure your child has appropriate clothing, and maybe even remember how take off, and put on their coats!

Home learning (for children self-isolating):

- Can you cut out these beanstalks and put them into order from the shortest to the tallest?*

- Investigate what foods at home have seeds inside. Can you take some photos of the seeds you find?*

Additional notes and reminders

Library- Please keep your child's library book in their bag so they are ready to change their books. Books are only changed on specific library days.

Milk- The children have really enjoyed having the option of milk as a drink at snack time. Please let us know if your child can not have milk.

We would also love any photos of any celebrations unique to your family or anything that represents or is part of your culture.

Please ensure all gloves, hats and scarves are named and please remember the children are not allowed to wear jewellery at school.
