

NURSERY

NURSERY

Coming up next week 5/7/21

Learning in school:

The children coped so well on their transition day. Those who met their new teachers did with a big smile and excitement. Those who are starting a new school were very happy to tell us all about their new school by looking at pictures on the internet of the school and their uniform. Thank you to those who supplied pictures for us to refer to.

Mini topic: **Moving on**

Conversations and activities about moving on will continue this week. We have a school role play with pictures of the classrooms and teachers. We will read several stories about new schools and starting school too, along with circle time, thinking and feeling about how we feel and why we feel like that.

Sports Day

Nursery will have their own Sports day on Wednesday 7th July. We will have a series of activities the children can have a go at including riding our new balance bikes!

We are really enjoying **junk modelling** now. Please bring in any of the following...

Please ensure that the junk that you bring in has not had any nuts or products that contain nuts inside. Also, no medicine boxes or packets please!

Welly boots

We think it would be really helpful if your child had a pair of wellies in school when it wet. If it is possible if they could wear their wellies to school on rainy days and change into their shoes when here. This means they will not have wet feet all day and that they can comfortably play outside in the puddles!

Keeping safe

We will focus a lot of our time on remembering how to keep safe in the classroom and outside. We will revisit how to wash our hands with the well know Peppa Pig song! We will remind children of how to catch our germs with a tissue and 'catch it, kill it, bin it'. We will ventilate the classrooms all day and spend as much time as possible outside, so please make sure your child has appropriate clothing, and maybe even remember how take off, and put on their coats!

Home learning (for children self-isolating):

- *Harry took his dinosaurs to school on his first day. See what happened here!*

How do you feel about starting Reception? Could you use your mood board to think about this and draw a picture or painting to show us how you feel?

Additional notes and reminders

Keeping cool! Please cover your child in suncream before they come into Nursery. We are unable to put suncream on for them, so please do not supply your child with suncream at school. There are various 8 hour plus creams that will give the right protection for a day at Nursery.

Water bottles and lunch containers- it is vital that your child can open these themselves. We are very conscious about supporting your child's independence.

Library- Please keep your child's library book in their bag so they are ready to change their books. Books are only changed on specific library days.

Milk- The children have really enjoyed having the option of milk as a drink at snack time. Please let us know if your child can not have milk.

We would also love any photos of any celebrations unique to your family or anything that represents or is part of your culture.

Please ensure all hats are named and please remember the children are not allowed to wear jewellery at school.
