

NURSERY

NURSERY

Coming up next week 29/3/21

This is the last week of term and what a term it has been! We are so proud at how the children have coped with all of the changes this year and they and you deserve a restful break.

Please note that Nursery finishes for Easter on Wednesday 31st March.

Learning in school:

Topic: Easter

The last three days in Nursery this term will be spent reflecting on Easter. This leads us nicely onto next half term's topic, 'Growing' We will be visited by two Easter bunnies (please let us know if your child is either allergic or worried about animals), make Easter flower pictures with many different media and have a (not chocolate) Easter egg hunt.

Tadpoles

It has been fascinating to watch the tadpoles grow over the last few weeks and it is time to say goodbye to them as they move back into the pond.

Keeping safe

We will focus a lot of our time on remembering how to keep safe in the classroom and outside. We will revisit how to wash our hands with the well know Peppa Pig song! We will remind children of how to catch our germs with a tissue and 'catch it, kill it, bin it'. We will ventilate the classrooms all day and spend as much time as possible outside, so please make sure your child has appropriate clothing, and maybe even remember how take off, and put on their coats!

Home learning (for children self-isolating):

- *Can you make an Easter flower picture? We will be using daffodils at school, but any spring flowers are great.*

- *Can you make some delicious Easter egg nests? Here's a recipe*
