The Mead and Auriol Year 2 Transition Summer Term 2021

Dear Parents and Carers,

After what has been a challenging year for all our pupils we understand that planning a smooth transition for our Year 2 children into Year 3 is extremely important.

We have already begun to plan opportunities together and after May half term the children will be visiting Auriol and meeting their new teacher. Obviously, this needs to be done in line with current Government guidelines and any arrangements made will have these fully in mind. Most importantly, we will ensure that the class bubbles are not broken when they visit, and any time spent at Auriol will be outside. Should the advice change over the coming weeks we will of course respond to this as needed.

Although currently we cannot offer the full transition programme, this year we will still be arranging two opportunities for your child to meet their new teacher and get to know Auriol a little better. We will also be offering parent/child consultations with the Year 3 team via School Cloud and a live broadcast new parents information meeting, both hosted by Auriol.

When the children move to Auriol they will remain with their peers in their current classes. This was successful last year and meant that the children were able to settle quicker thus enabling a smoother transition.

Details of the arrangements will be shared in full before the end of this half term, but for now if you would like to share a virtual tour of Auriol with your child please follow the link below.
