

Hedgehogs Remote Learning Plan 8/7/21

Message from your teacher

Hi Hedgehogs

I hope that you are all keeping well and being superstars at home. Here are your activities for today. I have made a Phonics video and Mrs Farhall has made a Music video for you.

I hope that you enjoy today's activities, I know that you are going to be great at them.

Love from,
Miss Hodgson

Daily tasks

Below are tasks for each subject area for you to complete with your child today. Included are:

- ***suggested tasks for phonics/grammar/spelling, English & Maths***
- ***suggested tasks for a topic area***
- ***Purple Mash activities***
- ***Please also read with your child today, you can access reading books from Rising Stars or Oxford Owls online.***

Please copy and paste the link below to access today's resources in the Google Drive

Phonics

Today your child will revisit all the Phase 5 sounds that we have now learned and then we will be looking at the digraph 'ew' making a '(y)oo' sound as in *new, nephew, stew and few*

Your child will be practising reading and writing words with this grapheme and applying what they have learned by writing a sentence.

I have made a video of this phonics lesson, which your child can watch on the link below.

A copy of the slides is also saved in the in the Google drive.

Your child will need a pencil and a piece of paper to complete the activities.

Extra Activities:

There are also daily Letters and Sounds phonic sessions on YouTube, should you wish to complete these as an alternative or extra activity with your child.

Please click on the link below and then scroll down to find the Summer Term Year 1 Lessons.

https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw

The new daily phonic lesson is uploaded each day at 10.30am.

(Please do remember that using YouTube means that we do not have any control over adverts etc that may play so please supervise your child when doing so)

Today your child will be having a go at writing some speech bubbles for the characters in our Bog Baby story.

There are some slides saved in the Google drive to support this activity. Please look through the pictures from the story on the slides and talk to your child about what is happening in the pictures and what the characters could be saying. I have added some question prompts to help them if they are a bit stuck for ideas. On the pages where there is more than one character speaking, it may help your child to do a bit of role play with you.

Can your child then choose one of the pictures from the story to write the speech bubbles for the character. They are all saved in the Google drive so you could just print the ones that your child would like to use.

Please remind your child that when they write their speech bubbles, they are writing it as if that person is talking, they won't need to use the word 'said.'

Please also remind your child to write in full sentences remembering their full stops and capital letters. They may also need to use exclamation marks and question marks today.

Time - Dates

Please click on the link below to start the teaching video. During the video there will be times when you need to pause it, to allow your child time to complete the activity. The accompanying worksheet for this teaching video is saved in the Google drive. Your child may like to complete the questions on the sheet when prompted during the video or alternatively complete it all at the end.

Extra activity

Can your child name the months of the year? Do they know how many months there are? They may like to listen to the song on the link below.

<https://www.youtube.com/watch?v=5enDRrWyXaw&t=29s>

Can they then have a go at putting the months of the year in the correct order. There is a sheet saved in the Google drive that they can cut up and order. Alternatively, you could just write the months on bits of paper for your child to put in the correct order.

Challenges

If your child is ready for an extra challenge then they can complete the challenges saved in the google drive. These challenges will help them to develop their reasoning and problem solving skills.

Purple Mash

There is a 2Do, days of the week and times of the day spelling activity set on Purple Mash. This will be available for today and tomorrow.

Music

Mrs Farhall would have taught Hedgehog Class a Music lesson if we had been in school this week. She didn't want the children to miss out on this, so she has made a lovely video of her Music lesson instead.

<https://www.loom.com/share/51dd58b1b081467e92254e53336250f7>

The lesson begins with the children listening and appraising a song. The song is called 'Pure Imagination' and it's from the 1971 film 'Charlie and the Chocolate Factory'. Willy Wonka sings it to the children when they visit the factory.

There is a video clip on the link below of the song being sung from the film. Your child may like to watch this after Mrs Farhall's Music lesson. Please be aware that there will probably be an advert before the video starts.
