

YEAR 2

YEAR 2

Coming up next week...26/4/2021

Maths

Learning in school:

Children will begin the week by using their place value knowledge to partition two digit numbers into different combinations of 10s and 1s. Next they will learn that subtraction is the inverse of addition and will use the inverse to check their answers to calculations are correct and also to solve missing number problems and. Finally they will practise using their number bond knowledge to solve missing number problems up to 20 without calculating the inverse.

Home Learning (if your child is self-isolating):

Watch this video: www.bbc.co.uk/programmes/p0114vdh

Play this game: <https://www.starfall.com/h/addsub/addsub-ladder/?sn=math1--math0>

English

Learning in school:

This week's English is all about The Enormous Crocodile by Roald Dahl. Children will be listening to and answering questions about the story. They will then consolidate their knowledge of the story by sequencing the main events of the story and acting them out in small groups. Finally they will 'story map' the story, using pictures and arrows, to show the progression of the story including identifying the setting and the main characters. They will use their story map as a visual prompt to aid verbal retelling of the story.

Home Learning (if your child is self-isolating):

In preparation for story writing next week, please listen to the story of The Enormous Crocodile at the following link: www.youtube.com/watch?v=HpmV-mDkJjA

Phonics

Learning in school:

In phonics, we will be reviewing:

- Teach adding the suffix 'ment'
- Teach adding the suffix 'ness'

- Teach adding the suffix 'ful'
- Teach adding the suffix 'less'
- Teach adding the suffix 'ly'

Home Learning (if your child is self-isolating):

There are daily Letters and Sounds phonic sessions on YouTube. Please click on the link below and then click on Spring Term Year 2 Phonics Screening Check Revision Lessons.

https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw

There are lots of great activities on phonics play, many of which can be accessed free. We are currently working on Phase 6 sounds. <https://www.phonicsplay.co.uk/>

Topic

Learning in school:

PSHE:

Children will be continuing to learn about how they can be healthy. Children will be learning about the importance of eating healthy food and getting enough food and exercise.

ICT using Purple Mash scheme of work on Questioning:

Aim: to use a binary tree to identify an answer.

Success Criteria: children can use a range of yes/no questions to find a unique answer.

Science:

Children will learn about the human life cycle.

Geography:

Children will be create a simple map with a simple key linked to The Enormous Crocodile.

RE:

Children will be beginning their new topic, learning about Islam.

PE:

Children will be learning ball skills such as throwing and catching.

Home Learning (if your child is self-isolating):

Science: Please watch the following link: www.bbc.co.uk/bitesize/clips/zt7w2hv and discuss how humans change as they grow older. What can children do that babies can't? What can you do as an adult that you cannot do as a child?

Homework

Please complete the 2do on Purple Mash called Bond Bubbles. Choose challenge A where the numbers go up to 20. You can play this game as many times as you wish.

Additional notes and reminders

Don't forget it's parents' evenings next week! We are looking forward to seeing you.
The Year 2 Team

Class email addresses:

Please do not use these email addresses to tell us about changes to pick up, as we do not always have the opportunity to check the class email addresses during the school day.

Leopards: leopards@mead.surrey.sch.uk

Bears: bears@mead.surrey.sch.uk

Monkeys: monkeys@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
