### **English**

**Learning in school:**

This week we will be writing a recount about the children's weekend. We will be looking at what is needed within a recount, the fact that it is written in the past tense and also that it is written in order of when the events happened. We will also look at using descriptive words that will make it seem like your reader is there with you.

### Topic

Learning in school:

**PE:** The children will be working on ball games.

**MUSIC:** The children will continue to look at the Friendship song they have been learning for the last couple of weeks. They will be using musical instruments to accompany it. They will continue to learn songs for their Leavers assembly.

**DT:** For the next couple of weeks the children will be looking at pop up books. They will be looking at how a pop up book works and the different types of pop ups that you can have within a book. They will experiment making different pop ups and they will be designing their own book.

### Homework

Children this weekend should try to learn their assembly words, that they have been given. We have also sent home this weekend the song words for their Leavers assembly. See sheet.

On Monday the children will be writing a recount about their weekend. If you are able to sit down with your child and go through the events of their weekend to remind them before Monday that would be great.

### Additional notes and reminders

Please could girls wear shorts under their skirts on a Tuesday for yoga.

**On Thursday 14<sup>th</sup> July, all children in year 2 will participate in their sports morning. Please could children therefore come dressed in their PE kit.**
