

# YEAR 1

# YEAR 1

*Coming up next week 21.03.22*

## *Learning in school*

### **Maths**

#### **Learning in school:**

Next week we will be consolidating our measurement topic.

We will be recapping the language of measurement: long, short, tall, longer, shorter, taller, longest, shortest, tallest, full, empty, half full, half empty, heavy, light, heavier, lighter, heaviest, lightest, equal to, o'clock, half past, minute, hour, mass, capacity.

We will also talk about the standard units of measurement: metres, centimetres, litres, grams and kilograms.

Children will complete measurement tasks and questions and will apply what they have learnt in problem solving.

#### **Home Learning (if your child is self-isolating):**

*Please see activities on the school website*

### **English**

#### **Learning in school:**

Next week we will be reading a new story, 'Beegu.' We will be thinking about adjectives and how to describe Beegu. Please do not share this book with your children prior to our learning next week as our first task is to think about what Beegu looks like before seeing the pictures! We will investigate an exciting event and will be newspaper reporters. We will also write messages for special people in our lives.

#### **Reading**

We will be starting a new bug club book, 'The Best Place in Space.' We will be learning lots of new vocabulary and answering inference questions.

#### **Home Learning (if your child is self-isolating):**

*Please see activities on the school website*

## Phonics

### Learning in school:

This week we are learning:

**New GPC's:** ch (pronounced c) ch (pronounced sh) ze (pronounced z)

**GPCS:** c sh ce se ze zz ss

**Tricky words:** laugh, because, eye, our, once, thought

**New words:** school, chemist, echo, stomach, chef, parachute, freeze, breeze, sneeze, squeeze, snooze, bronze

## Topic

### Learning in school:

In science we will be learning about the changes that Spring brings. We will visit the garden area to find signs of new growth.

In RE we will be thinking about different symbols of Easter and reading the Easter story. We will link this to our science learning about new life.

In indoor PE will be continuing our gymnastics. We will be considering balance and how to control our bodies.

In our outdoor PE sessions the children will be continuing to improve their accuracy in sending and receiving.

In PSHE we will be talking about what to do if we are worried.

Our art this week is secret!

### Wednesday is Alien Day!

On Wednesday children will be taking part in lots of exciting alien based activities. Children **do not** need to dress up or bring anything special into school for this but we hope they will enjoy sharing what they have done with you when they get home.

### Home Learning (if your child is self-isolating):

Please see activities on the school website

## Additional notes and reminders

### Homework

For homework this week we have sent an activity based on the time learning we have been thinking about in class.

Throughout the week we have been using the words o'clock, half past, minute, hour. If you get the chance, please practise reading o'clock and half past times in real life.

### **Requests**

On our yoga day, (Tuesday) please make sure shorts are sent in if your child is wearing a skirt.

*Class email addresses:*

*Badgers:* [badgers@mead.surrey.sch.uk](mailto:badgers@mead.surrey.sch.uk)

*Hedgehogs:* [hedgehogs@mead.surrey.sch.uk](mailto:hedgehogs@mead.surrey.sch.uk)

*Squirrels:* [squirrels@mead.surrey.sch.uk](mailto:squirrels@mead.surrey.sch.uk)

*Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.*
