Dear Parents / Carers

Transport Museum Request

Our theme in **Reception** for the next half term is “Big Wide World” and as part of this we will be learning about transport. On Monday 13th June, we would like to set up a Mead Transport Museum for the children to enjoy. We are looking for various modes of transport for the museum such as a surfboard, motorbike, sports car, electric car, vintage car, bus (!), roller skates, canoe, bike etc.

The museum will be set up in the main school playground and items will be coned off, just like a real museum, so that the children will not be able to touch them. They would need to be in the playground for the morning of Monday 13th June. We will confirm more accurate timings closer to the day.

If you are able to lend any transport items to the school, please speak or email the reception class teachers.

Thank you for your help.
