Dear Parents/ Carers,

“The more that you read, the more things you will know. The more you learn, the more places you’ll go.”— Dr. Seuss

Dr. Seuss’ quote demonstrates not only the importance of developing children’s reading skills but also their enjoyment of reading to ensure that they become lifelong learners. At The Mead, we want children to develop a love of reading and for them to see it as enjoyable, imaginative and how it opens the doors to new worlds.

To help us, we would like to hear your opinions on reading for pleasure. Please could you please spare a minute to complete the questionnaire below using your child’s year group’s QR code or website link.

If your child is in Reception and you filled the questionnaire in during the phonics, reading and writing workshop then you do not need to complete it again.
