

**RECEPTION**

**RECEPTION**

*Coming up next week...03/10/2022*

**Please can we have a family photo to display in the classroom. Please can these be handed in by Thursday 6<sup>th</sup> October.**

**We are also starting class photo albums of special events celebrated by the children outside of school e.g. religious events etc. These can be handed to your child's class teacher throughout the year.**

*Learning in school:*

**Theme for the Term: *All about me!***

During this topic we will be getting to know each other and finding out about our new friends and school.

This week we will be learning to become artists. We will be learning how to make secondary colours by mixing primary colours and will also be learning how to turn a cereal box into something new. We will also be learning the new word 'resilient' and will be encouraging the children to keep trying when things are tricky.

*Phonics:*

This week, we will be learning the new sounds ck, e, u and r and the tricky word 'I'.

*Maths:*

We will be learning all about repeating patterns. We will be learning how to continue a pattern, how to spot a mistake and how to create our own patterns.

*Additional notes and reminders*

Please don't forget to log any comments on the Boom Readers app. Your child will have two books- one library book and one reading book. The library book is a book for you to read to your child and their reading book is for them to read to you. The library book can be changed once a week on your child's reading day. Their reading book can be changed when you feel appropriate.

At the end of this half term we will be celebrating Diwali. We would love to have parents come into school to share their knowledge about this festival. If you would like to join in to with this experience for the children, please speak to your class teacher.

We will ventilate the classrooms all day and spend as much time as possible outside, so please make sure your child has appropriate clothing including a coat.
