Proud to Belong

Dear Parent / Carer,

As a school, we use an educational website called Spelling Shed which enables children to log in and practise their spellings from home by playing a simple game.

The game has four different levels of difficulty; Easy, Medium, Hard and Extreme. Children earn points for each time they practise their spellings and their first name and last initial will be entered onto a leader board, which can be viewed by other children and staff from The Mead. Children earn more points if they practise on the harder levels.

Your child's teacher will set lists of words that your child should practise and will monitor their progress.

Once your child has their login information they can access this online game via the Spelling Shed website for free or via the app which costs £2.99 to download.

To be entered into the Spelling Shed system, a small amount of information will be added to the database of the website. This is limited to:

- Name
- A username
- A password

The Spelling Shed does not share any personal information and the full privacy policy can be accessed at <https://www.spellingshed.com/privacy.html>.

In order to set up your child's unique log in details, we are required to have your permission. Please complete the Parentmail Form, which will be sent out shortly by Friday 23rd September. We will send out the log in details on Friday 7th October along with further details about how to use Spelling Shed.

If you have any questions, please speak to me.

Many thanks,

Mrs Allum

Writing coordinator
