

[Disadvantaged Pupil](#)
[Report 2018-19 \(Financial Year\)](#)

Background

The Disadvantaged Pupil funding is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings and for children who have been looked after for 1 or more day, have been adopted from care or have left care under a special guardianship order, a residence order or a child arrangements order In 2015-16 this also included pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the funding as they see fit. However, we will be held accountable for how we have used the additional funding to support pupils from low-income families. We are required to publish online information about how we have used the funding. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the funding and the extra support that they receive.

In the financial year 2018 – 2019 our Pupil Premium allocation was £18,140
