

YEAR 1

YEAR 1

Coming up next week...31.1.22

Learning in school

Maths

Learning in school:

This week we will be continuing to think about exchanging when completing subtraction calculations. At the end of the week we will be using our knowledge to help us solve word problems and greater depth challenges.

Home Learning (if your child is self-isolating):

Please see activities on the school website

English

Learning in school:

This week we will be focusing on, and applying our knowledge of punctuation and grammar by editing different pieces of text. We then be using this knowledge to help us improve our own sentences.

Reading

This week we will be thinking about a new story 'King Cat.' In reading sessions we will be talking about any new vocabulary and sequencing the story.

Home Learning (if your child is self-isolating):

Please see activities on the school website

Phonics

Learning in school:

Next week we will be thinking about the new GPC's **ui** and **ou** (as in **youth** and **bruise**)
We will be thinking about the following tricky words: **water, want, any, many, again, could, would, should, who, whole, where, two, ask, Mr, Mrs, Ms, school, call, different, people, your, their, thought, through, friend, work**

Topic

Learning in school:

In Science we will be investigating different materials that are rigid and flexible.

In Art we will be adding details to the landscape picture we created earlier this week in the style of Natalie Rymer.

In PSHE we will be thinking about road safety and role playing how to cross the road safely. We will also be creating road safety posters.

In RE we will be reading the new parable, 'The Wise Man and The Foolish Man' and thinking about the morals and teaching of this story.

In PE we will continue to develop our ball skills and dance skills.

In Music we will be using our learned song, 'In the Groove,' and linking it to folk music. We will be appraising 'Lord of the Dance' taken from River dance and using our voices and glockenspiels to help perform the piece.

In History we will be learning about the Wright brothers and the history of the aeroplane.

In Computing we will be starting an animation unit of work.

Home Learning (if your child is self-isolating):

Please see activities on the school website

Additional notes and reminders

Homework

This week the children will bring home a safety poster they have already started in class. Please help your child to fill out the missing details and display it at home.

This week we are asking the students to use place value knowledge to solve the questions. Please ensure that homework is returned by Wednesday 2nd February.

If your child's homework is currently being placed in a plastic wallet, please look for the yellow folder at home and return it as soon as possible.

Request

Thank you to those of you who have volunteered to help support the children on our upcoming trip to Brooklands.

If you would like to help us on the 23rd February, please talk to individual class teachers by 4th February.

Class email addresses:

Badgers: badgers@mead.surrey.sch.uk

Hedgehogs: hedgehogs@mead.surrey.sch.uk

Squirrels: squirrels@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
