

YEAR 1

YEAR 1

Coming up next week...24.1.22

Learning in school

Maths

Learning in school:

This week we will be thinking about bridging ten when completing addition calculations. We will also be thinking about making exchanges when completing subtraction calculations.

Home Learning (if your child is self-isolating):

Please see activities on the school website

English

Learning in school:

This week we will be thinking about the history of hot air balloons and reading the book, 'Up, up and away. How two brothers invented the hot air balloon.'

We will also be looking at the features of newspaper articles and writing our own article to describe our imaginary hot air balloon journey that we take in class!

To help support this learning please help your child to research the history of the hot air balloon. Can you find out:

Who invented the hot air balloon? When it was invented? What materials are hot air balloons made from? Any other interesting facts!

Reading

This week we will be thinking about the story 'The Goldfish Election.' In class we will be talking about any new vocabulary and sequencing the story.

Home Learning (if your child is self-isolating):

Please see activities on the school website

Phonics

Learning in school:

Next week we will be thinking about the new GPC's o-e, o and ou (making the u sound) se, ce, ey

We will be reading the words: brother, mother, nothing, done, son, won, touch above, young, cheese, choose, noise. tease, praise. Dance. Fence, choice, purse, horse, money, donkey, monkey, valley, key, honey

We will be thinking about the following tricky words: thought, through, friend, work.

Topic

Learning in school:

In Science we will be investigating different materials that are light but strong.

In Art we will be introducing the artist Natalie Rymer and recreating a landscape picture in her style.

In PSHE we will be continuing our learning about safety in the home and looking at possible hazards such as stairs, knives etc.

In RE we will be learning about Jesus' baptism.

In PE we will continue to develop our ball skills and dance skills.

Home Learning (if your child is self-isolating):

Please see activities on the school website

Additional notes and reminders

Homework

To support the children's English learning please help your child to research the history of the hot air balloon. Can you find out:

Who invented the hot air balloon? When it was invented? What materials are hot air balloons made from? Any other interesting facts!

This week we are asking the students to use their number bond knowledge to twenty to solve subtraction and addition calculations.

Request

We will be learning about newspapers next week. If you have any papers that we could use, please can you child bring them to school by next Tuesday.

Class email addresses:

Badgers: badgers@mead.surrey.sch.uk

Hedgehogs: hedgehogs@mead.surrey.sch.uk

Squirrels: squirrels@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
