

# YEAR 1

# YEAR 1

*Coming up next week....27.6.22*

## **Maths**

We will be learning to recognise and name the different coins and notes. We will be practising counting in 1's, 2's, 5's and 10's using the 1p, 2p, 5p and 10p coins to help us. Following on from this we will be using the coins to make up different amounts. For example how many ways can we use the coins to make the value 10p? Finally we will be adding two different prices together and finding the total.

## **English**

In English this week we are going to be recounting our Geography walk to Stoneleigh. We will also be thinking about this term's book and recounting the order of events.

In our recount writing we will be thinking about time conjunctions such as first, then, after that. We will also be thinking carefully about our sentence structure.

## **Reading**

This week we will start our new Bugclub story, 'The Artist.' We will be talking about the events and characters in the story and retelling sections.

## **Phonics**

**GPC's** - or au a ai aw aur oor augh out oar ore

**Tricky Words** - move, improve, parents, shoe, thought, whole, who

**Spelling** - Naughty, before, shoe, choice, final, parents, climbing, climbed, whole, large, badge, move, daughter, adventure

## **Topic**

**Art** - In Art we will be thinking about a new artist, Alfred Wallis and using collage to recreate his 'Blue Ship' picture.

**PSHE** - In PSHE we will be thinking about all of our successes this year and looking forward to year two.

**Music** - In music we will be listening to, and appraising, our favourite pieces of music from this year. We will also be seeing if we can identify the instruments and voices used. We will find the pulse and rhythm, and then compare this piece of music to the piece that we listened to last week. We will also find out if a story is told in this music and how it makes us feel.

**Science** - In science this week we will be identifying different types of trees.

**Geography** - In geography we will be thinking about the features of the seaside and labelling seaside pictures.

**PE** - In PE we will continuing with our target practise and invasion units of study.

### *Additional notes and reminders*

#### **Harley**

This half term we are very excited to have the opportunity to read with Harley the reading dog. If your child has any specific allergies or phobias of dogs please let us know.

#### **Named Items**

Please ensure that all of the items your child brings to school are named. We thank you for your support with this.

#### **Homework**

As always please continue to read with your child four times a week.

Today your child will be bring home a sheet linked with our place value work. Please help your child to complete the sheet.

#### **STEAM Week**

This term we will be celebrating The Mead Infant's first STEAM week! During this week, each year group will be using science, technology, engineering, Art and Maths to carry out an enterprise project, which will result in an enterprise fair that you are all invited to.

Year one will be using their science learning to create a gardening enterprise.

We would be very grateful for any donations of pots, compost, seeds, or general gardening equipment/ expertise to help us in our project. If you are able to help in any way, please email your class teacher to organise.

#### ***Class email addresses:***

**Badgers:** [badgers@mead.surrey.sch.uk](mailto:badgers@mead.surrey.sch.uk)

**Hedgehogs:** [hedgehogs@mead.surrey.sch.uk](mailto:hedgehogs@mead.surrey.sch.uk)

**Squirrels:** [squirrels@mead.surrey.sch.uk](mailto:squirrels@mead.surrey.sch.uk)

*Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.*
