

**YEAR 1**

**YEAR 1**

*Coming up next week...*

*17.1.22*

### **Maths**

This week we will be using our knowledge of number bonds to 20 to learn subtraction facts within 20.

We will recap strategies to help with subtraction and students will apply their existing skills to solve calculations.

Later in the week we will be applying our subtraction knowledge to solve subtraction problems.

### **English**

We will be continuing our learning, thinking about the story "Stuck." This week we will be writing our own version of the story.

Throughout their writing the students will be encouraged to use their phonics knowledge to sound out words. We will also be encouraging them to use capital letters, full stops, time connectives and adjectives.

### **Phonics**

Next week we will be thinking about the new digraphs ph, le, al, c (pronounced s e.g. face) and ve

We will be reading the words: alphabet, elephant, giant, follow, reply, white, gentle, huge, carry, puddle, dry, goes final, equal, snow, spy, sparkle, apple, face, space, whisper, bubble. pedal, petal

We will be thinking about the following tricky words: ask, Mr, Mrs, Ms, school, call, different

## Topic

Next week in Art we will be continuing to think about the art work created by Andy Warhol. We will be looking using the techniques already learnt to create a new piece using different media.

In PE we will be continuing our units in dance and ball skills.

In computing we will be creating posters using retrieved information.

In science we will be continuing our learning about materials. This week we will be thinking about materials that are waterproof by performing simple tests and collecting data.

In RE we will be creating timelines to show the important events in Jesus' life.

In PSHE we will be learning about safety in the home and discussing products that can be harmful. To support this learning please have a look at things at home and discuss the safety of these products.

## *Additional notes and reminders*

### Homework

This week we will be thinking about writing and ordering days of the week as part of our time and measurement learning.

Please complete the sheet and return by Wednesday 19<sup>th</sup> January.

As part of our PSHE we are looking at safety in the home. Please have a look at different products (cleaning etc.) that you have at home and discuss them.

If you are able to, take pictures or create a poster about the products. We will be using these to help us in our PSHE lesson.
