

YEAR 1

YEAR 1

Coming up next week....6.6.22

We hope that you all have a lovely half term break and look forward to seeing the children back at school on Tuesday 7th June.

Maths

In Maths we will be learning about position and direction. We will be describing the position of objects and using the words left and right. We will also be using words such as next to, above, below, forwards and backwards. We will be giving instructions to each other and following instructions to help us move an object across a grid and find the treasure. Added to this we will be learning about turns and making whole, $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{3}{4}$ turns.

English

In English this week we will be thinking about the upcoming Platinum Jubilee celebrations. We will be celebrating the Queen's life and learning about some of the historical events that have taken place during her reign. We will then be writing sentences to describe what we would do if we were King/ Queen for the day. We will also be thinking about descriptive language and writing and advert to help Queen Elizabeth sell Buckingham Palace!

Reading

The children will be reading 1:1 with an adult. Please ensure your child has their book and reading record at school every day.

Phonics

This week each child will participate in the Phonics Screening Check. Each child will carry out the test 1:1 with their class teacher. It will be a similar experience to their practise test, which took place at the beginning of the term. We will ensure that each child knows this is an opportunity to show off how hard they have been working on their sounds and not something to feel worried about. If your child raises any concerns, please let the class teacher know so we can reassure them.

GPC's - n, aw, I, ow, oa, ee, se, ey, ai, a-e, a, m, are, le, g, aigh, eigh, ea, kn, ow, ee, kn, mb, eigh, eer, ey, gn, a, ay, ph,

Tricky Words - our, their, two, once, busy, beautiful, pretty, hour

Words - eight, straight, break, great, they, grey, prey, know, knee, knock, sign, gnaw, gnash, thumb, lamb, comb, climb, crumb, bomb, deer, cheer, sneer, steer, here, meerkat

Topic

Art

In Art, this week we will be creating our own crown. We will be asked to design and make it from a variety of materials, completely independently.

Music

In Music this week we will be practising our Jubilee celebration songs ready to perform to family on Friday 27th.

Computing

In Computing, we will begin using Purple Mash to explore different Jubilee activities.

PSHE

In PSHE we will be thinking about different careers and the importance of working hard to achieve our goals.

Geography

In Geography we will be looking at plan views, and identifying places that we know.

PE

In PE we will be introducing our new units - invasion and target games

Additional notes and reminders

Homework

Over the half term please can you help your child complete the split digraph table that has been sent home. Please continue to read throughout the week.

We hope you are enjoying watching your cress grow! If you can, take a picture and let us know how it is doing.

Have a lovely half term.

Dates to remember

Queens Jubilee Celebration - Friday 10th June 2:20pm

Sports Day - Wednesday 6th July 9:30 am

Class email addresses:

Badgers: badgers@mead.surrey.sch.uk

Hedgehogs: hedgehogs@mead.surrey.sch.uk

Squirrels: squirrels@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
