School council meeting minutes

Date - 10.12.21

School ~~the~~ council judged the drawing competition.
Mrs Creasey could not come to
the school council meeting.

We think we should vote for
flowers, pens & pop up books.

We made ~~at~~ a video.
Tom suggested pictures on voting slips for YR.
Mrs Fletcher will email the video
to the classes and distribute voting
slips to each class.
Votes will be counted at next meeting
after Christmas.

The school councillors judged the character drawing competition and a winner was chosen from each year group. Sadly Mrs Creasey was unable to attend the meeting as planned so Mrs Fletcher Explained to the children that she had spoken to Mrs Creasey about the ideas in the suggestion boxes and that Mrs Creasey agreed they were all good ideas, now all the children needed to was to choose the best idea. The council then decided that a whole school vote would be the best way of deciding. They made a video that could be sent to each class telling them that they needed to voting slips were distributed.
