

NURSERY

NURSERY

Coming up week beginning 16.1.23

Well done to all of the new children who started recently. They have been very brave and have started to understand the routine of our day and make friends with some of the children and adults.

Well done also to the children who have been with us for a term already- we are really proud of how they have been so helpful and friendly towards the new children!

Wellies and waterproofs need to be back in school for Wellie Wednesday please!

Theme for the Term: People who help us

The focus this half term will focus on 'People who help us'. We will start off by exploring what we already know about occupations and then delve into a few occupations, learning new words, understanding the roles people have, and how they help us. This week we will brainstorm what we already know.

Paramedics

This week we will focus on the occupation of Paramedics.

PSE

This week we will be talking about good choices and what one looks like. During this input we will talk about how to cope with a situation where a child is not making a good choice near us by telling them 'stop, I don't like it' and then telling a grown up.

Understanding the World

We will be exploring the occupation of paramedics this week. We will learn the poem about Ambulances from the book 'Emergency emergency' and read non-fiction books to find out more about Paramedic's jobs.

Maths

We will be discussing the routes that the ambulances are taking in our small world play using positional language such as in front, behind, next to.

Physical Development

Our focus this week will be on self-care skills- putting on our coats and attempting to do them up, putting on gloves or mittens, hats and scarves. Please let your child do this independently at home- we are working really hard to build confidence and ability to do this independently at school- the more they can do this at home, the better- it just takes time!

We will also be adding the balance bikes to the bike station and will support the children in balancing and gliding on these bikes.

Expressive Arts and Design

Over the past week we have been exploring printing and practicing how to print successfully. This week we will look more closely at creating a picture thinking carefully about the shapes we are using by examining art work by Kenneth Noland.

Here are a few reminders to help with the daily running of the Nursery.

What to bring into Nursery

Please ensure your child has the following with them every day:

- Clearly named water bottle (a familiar sticker might be useful). This must contain only water please, not juice.
- Clearly named book bag- it is helpful for the book bag to have one keyring on so that your child is able to recognise the book bag.
- Clearly named coat.

Your child does not need to bring in an additional rucksack with fruit or spare clothes (unless we have a separate arrangement that has been agreed). It is important that your child is able to be independent from the start, so less items to remember will help!

Lunchboxes

If your child is in Emperor Penguins please remember to pack a healthy, manageable lunch for your child to eat. If there is too much in their lunchbox, they can become over faced.

Grapes- please cut these in half, lengthwise for safety.

NUT FREE SCHOOL! At The Mead we are a nut free school. There are several children with nut allergies in Nursery. It is of uttermost importance that lunchboxes contain no nuts. This also includes foods that contain sesame seeds such as hummus or crackers with seeds.

Uniform

The nursery children look very smart in their new school uniform!

- Skirts and dresses are not part of our school uniform as they can be dangerous when climbing.
- Please make sure that your child wears shoes safe to climbing- trainers or plimsolls are perfect (only Velcro please!)
- Please also remember no jewellery is allowed as part of our school uniform policy. This includes earrings.
- Please name everything!

UNIFORM

All children are required to wear our nursery uniform. Children can dress in the uniform listed in which they feel most comfortable.

Uniform Details

- Royal blue sweatshirt or cardigan with school logo
- Dark grey tracksuit bottoms or dark grey leggings
- White t-shirt (with or without logo)
- Dark grey or royal blue shorts (for summer)
- Shoes/trainers without laces (we suggest Velcro trainers)
- Book bag with school logo

Optional Accessories

- Royal blue reversible fleece/waterproof jacket with school logo
- Royal blue sun hat with school logo
- Royal blue winter hat with school logo

Please note that children should not wear any jewellery to nursery.

All clothing and bags should be clearly labelled with your child's name.
