**Theme for the Term:** All things bright and beautiful

The focus this half term will focus on investigating things that grow and change, caring and respecting living things and exploring life cycles of plants and animals. We had a busy two weeks watching the eggs hatch and caring for the chicks! The children were very gentle when handling them and found them fascinating to watch!

**Theme for the week: Size**

## Maths

Our sunflowers have been growing so it's time to which sunflower has grown the tallest! (Thank you for looking after the sunflowers over the Easter holidays. Everyone has been caring for them so we are sharing them all at Nursery) We will relate this to the story Titch, using mathematical language such as tall, short, taller, shorter, tallest, shortest to compare them

## Phonics

The sound we are focusing on is 'w'. We will explore lots of words that start with 'w' though hearing the sound 'w' in words. Remember - when exploring sounds in phonics we are focusing on just the phonemes aurally - just the sounds, not the letter name or the written symbol that represents a sound.

## Music

We will listen to Swan Lake this week, talking why the piece of music sounds like a swan. We will move to the music after watching how swans move.

**Here are a few reminders to help with the daily running of the Nursery.**

### What to bring into Nursery

Please ensure your child has the following with them every day:

- Clearly named water bottle (a familiar sticker might be useful). This must contain only water please, not juice.
- Clearly named book bag- it is helpful for the book bag to have one keyring on so that your child is able to recognise the book bag.
- Clearly named coat.

Your child does not need to bring in an additional rucksack with fruit or spare clothes (unless we have a separate arrangement that has been agreed). It is important that your child is able to be independent from the start, so less items to remember will help!

### Lunchboxes

If your child is in Emperor Penguins please remember to pack a healthy, manageable lunch for your child to eat. If there is too much in their lunchbox, they can become over faced.

Grapes- please cut these in half, lengthwise for safety.

**NUT FREE SCHOOL! At The Mead we are a nut free school. There are several children with nut allergies in Nursery. It is of uttermost importance that lunchboxes contain no nuts. This also includes foods that contain sesame seeds such as hummus or crackers with seeds.**

## Uniform

The nursery children look very smart in their new school uniform!

- Skirts and dresses are not part of our school uniform as they can be dangerous when climbing.
- Please make sure that your child wears shoes safe to climbing- trainers or plimsolls are perfect (only Velcro please!)
- Please also remember no jewellery is allowed as part of our school uniform policy. This includes earrings.
- Please name everything!

## Request!

We have enjoyed junk modelling and will be adding this to our continuous provision- therefore we will always need lots of 'junk!'. Boxes, bottle tops, plastic containers, etc Please make sure none of the packaging has contained nuts!

## UNIFORM

All children are required to wear our nursery uniform. Children can dress in the uniform listed in which they feel most comfortable.
