The Mead Infant and Nursery School Consultation on changes to Admission Arrangements 2024/25

The Mead Infant and Nursery School is consulting on our admission arrangements for 2024/25. Where the school is oversubscribed for a year group, we propose that applications for entry in 2024/25 will be ranked in the following order:

1. Looked after children and children who were previously looked after children.
2. Children with exceptional social or medical needs where it is deemed that this is the only school which can meet their needs.
3. Siblings – children who will have a sibling in the school at the time of the child's admission.
4. All other children. Remaining places will be offered based on nearness to the school measured in a straight line from the address point of the child's home address, as set by Ordnance Survey, to the nearest official school gate for pupil use.

Changes proposed from the 2023/24 admission arrangements bring the policy in line with Bourne Education Trust School Admission Arrangements for 2024/25.

Our proposed 2024/25 admission arrangements are attached. Anyone wishing to participate in the consultation is encouraged to read these in detail. Please send any comments to admissions@mead.surrey.sch.uk or by post to The Mead Infant and Nursery School, Cudas Close, Newbury Gardens, Epsom, Surrey, KT19 0QG. Comments should be addressed to Mrs Alison Compton, Office Manager.

The consultation period runs until 5.00pm on Tuesday 17th January 2023.

Kind regards,
