

**YEAR 1**

**YEAR 1**

*Coming up next week...*

**30.01.23**

**Maths**

In maths next week we will be using our knowledge of number bonds and tens frames to answer subtraction calculations. We will be using our knowledge to 10 to solve calculations such as  $8 - 2 = 6$ .

We will then be using the corresponding number bonds to 20 facts, to spot that the number gets greater by 10. E.g.  $18 - 2 = 6$

**English**

In English we will be thinking carefully about descriptive writing. We will be reminding ourselves what adjectives and nouns are, and using our knowledge to write sentences using all of the features we have thought about since joining Year 1.

**Phonics**

In phonics next week we will be thinking about...

New GPC's: Grow the code: ui, oo (making a yoo, oo sound)

Tricky words: Revision of all tricky words

**Reading**

Next week we will be continuing our new story, 'A home for Henrietta.' We will be thinking about the new vocabulary in more detail.

**Topic**

PSHCE: In PSHCE we will be thinking about road safety and how we can be safe when out in the community.

RE: In RE we will be thinking about all of the parables we have read so far and the lessons that can be learnt from them. We will then be talking about what message we would like to teach through a parable.

Art: In Art we will be using clay to create our creatures.

Computing: In computing we will be continuing our Lego builders unit of learning.

Science: In science we will be learning about our senses.

PE: We will be continuing our fundamental and dance units.

### *Additional notes and reminders*

*Homework: This week please continue to read and revise the phonics we have covered this week. We have also sent a doubles maths challenge home, please complete and send back on Wednesday 1<sup>st</sup> February.*

*Naming uniform/ resources: Please ensure your child's things are named so we can easily identify any lost item's owners.*

*Just a reminder that hedgehogs and Squirrels now have library on a Friday.*
