English, Reading & Fluency

Learning in school:

In English, children will continue their learning on poetry. Children will be focusing on the past and present tense and the affect this has on poetry. Children will be writing their own exciting poems in the present tense.

Reading:

In Year 2 we use 'Bug Club' to teach reading. Children use the knowledge they have gained in their SPAG sessions to decode words alongside their teacher and peers. The stories we read span over a two-week period and throughout this time we focus on different VIPERs - vocabulary, inference, prediction, retrieval and sequence. As well as using role play and storytelling to promote a love of reading.

This week the children will continue to look at the Bug Club text 'Junko Tabei' and focus on the Viper of sequencing.

This daily shared reading approach has replaced the 1:1 reads. We will use this knowledge combined with phonics assessments and half termly 1:1 reads to inform our tracking of progression in reading and the children will still progress through the phases.

Fluency:

This week, we will look at a poem called 'The treasures poem'.

Please continue to read at home and upload your comments onto the 'BoomReader' app.
