Snake and frog visit!

We met a carpet python and two tree frogs to help us with our stories, Dear Zoo and Brown bear Brown bear what do you see!

**Wellies and waterproof trousers-** We will be using our wellies and waterproof trousers from next week- please could all children keep a pair of named wellies and waterproof trousers in Nursery in case of puddles and mud!

**Autumnal 'treasure'**

We will still be collecting anything Autumnal (leaves, conkers, etc) over the coming weeks- if you are out walking don't forget to collect what you find to add to our Autumn collection!

## **Personal, Social and Emotional Development**

- Now we are settled in it's time to focus on looking after our resources by tidying them away when we have finished! This will be our focus for the week.
- Zones of regulation- we use the Zones of regulation board to focus on 'green' this week- this is when we feel happy and ready to learn.

## **Communication and Language, Reading and phonics**

Our new book is Polar Bear Polar Bear what do you hear? This is another repetitive, rhythmic book that the children will be able to 'read' on their own in no time! We will use it to explore sounds around us and to match instrumental sounds in phonics.

## **Expressive Arts and Design and maths**

We will explore pattern in the environment this week by going on a pattern walk.

## **Poetry basket/ physical development**

Here are a few reminders to help with the daily running of the Nursery.  
What to bring into Nursery

### Lunchboxes

**We are a NUT FREE SCHOOL! This includes anything that contains nuts such as peanut butter or Nutella. To keep all children safe with nut allergies, please also ensure you do not include pesto in your child's lunch box. There are several children with nut allergies in Nursery. It is of uttermost importance that lunchboxes contain no nuts.**

If your child is in Nursery all day please remember to pack a healthy, manageable lunch for your child to eat. If there is too much in their lunchbox, they can become over faced. Please name your child's lunch box on the outside of the lunchbox so it is easily visible.

**Grapes and olives- please cut these in half, lengthwise for safety.**

Look out for a 'Healthy Packed Lunch Guide' that will be sent out next week.

Please ensure your child has the following with them every day:

- Clearly named water bottle (a familiar sticker might be useful). This must contain only water please, not juice.
- Clearly named book bag- it is helpful for the book bag to have one keyring on so that your child is able to recognise the book bag.
- Clearly named coat
- Clearly named sun hat (when needed)

Your child does not need to bring in an additional rucksack with fruit or spare clothes (unless we have a separate arrangement that has been agreed). It is important that your child is able to be independent from the start, so less items to remember will help!

Happy hellos and great goodbyes- Part of the Mead way is to say hello and goodbye at the start and end of the day. Please encourage your child to say hello and goodbye!

### Uniform

The nursery children look very smart in their new school uniform!

- Skirts and dresses are not part of our school uniform as they can be dangerous when climbing.
- Please make sure that your child wears shoes safe to climbing- trainers or plimsolls are perfect (only Velcro please!)

- Please also remember no jewellery is allowed as part of our school uniform policy. This includes earrings.
- Please name everything!

## UNIFORM

All children are required to wear our nursery uniform. Children can dress in the uniform listed in which they feel most comfortable.
