

RECEPTION

RECEPTION

Coming up next week...13/07/26

**** PLEASE RETURN LIBRARY BOOKS IF YOU HAVEN'T ALREADY DONE SO****

SCHOOL READING BOOKS AND READING RECORDS WILL BE COLLECTED AT THE START OF THE WEEK. PLEASE MAKE SURE ALL BOOKS ARE IN BOOK BAGS ON MONDAY

Carrier Bags

Could all children please bring a named carrier bag or similar. We will be collecting their amazing work from the year to send home this week.

Hot weather!

The weather is very warm, and the children spend time outside everyday.

*Please ensure they have a **hat and water bottle** at school.*

*Please apply **sun cream** before school as we are unable to do this.*

Learning in school:

Theme for the Term: Far, far away!

This half term, we will be learning about different countries and exploring the similarities and differences between them. We will be looking closely at aspects such as climate and animals. Our key focus will be on: Australia, Antarctica and England. The children will compare these countries and begin to understand how different environments can affect the way people and animals live.

In writing, we will be writing 'All about me books; to share with @@@@@.

Phonics:

This week, the children will be enjoying phonics games and drawing club activities.

Maths:

This week in Maths, we are starting to consolidate the children's learning from across the year. We will be working on deepening their understanding and reasoning skills.

Additional notes and reminders

Class email addresses:

turtles@mead.surrey.sch.uk

starfish@mead.surrey.sch.uk

jellyfish@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
