Theme for the Term:

Terrific Tales

We look forward to enjoying some terrific tales this half term now the children are able to enjoy and talk about longer stories. All of these stories will involve concepts such as 'who' the characters are and 'where' they are set. We will use colourful semantics to support the children in understanding these new concepts which will in turn help the children in talking about stories with new vocabulary.

Literacy and science

Our next story is 'The Three Little pigs. The week will start with a problem- please keep this quiet from your child! We will have reports that various members of staff will have seen a wolf... over the week we will have other problems such as a broken house of sticks and straw and then a letter from the Three Little Pigs to help them build a stronger house of bricks... We will make predictions, posters, and our own stories about The Three Little Pigs

Mrs Bluebird

Here's a nest for Mrs Bluebird.

Here's a hive for Mr Bee.

Here's a hole for Bunny Rabbit,

And here's a little house for me.

Science

We will start planting flowers this week and learn how to care for them.

Writing and art

This week when we realise there is a wolf lurking around the school we will draw pictures and posters of what he looks like- sharp teeth, pointy ears and a bushy tail!

Maths

We will link numerals and quantity by matching numerals and the number of pigs in the houses.

Helicopter stories

We will continue to scribe the children's stories they are telling through play. At the end of the week, we will try performing the stories with our friends.

What to bring into Nursery:

Lunchboxes

We are a NUT FREE SCHOOL! This includes anything that contains nuts such as peanut butter or Nutella. To keep all children safe with nut allergies, please also ensure you do not include pesto in your child's lunch box. There are several children with nut allergies in Nursery. It is of uttermost importance that lunchboxes contain no nuts.

If your child is in in Nursery all day please remember to pack a healthy, manageable lunch for your child to eat. If there is too much in their lunchbox, they can become over faced. Please name your child's lunch box on the outside of the lunchbox so it is easily visible.

Grapes and olives- please cut these in half, lengthwise for safety.

Look out for a 'Healthy Packed Lunch Guide' that will be sent out next week.

Please ensure your child has the following with them every day:

- Clearly named water bottle (a familiar sticker might be useful). This must contain only water please, not juice.
- Clearly named book bag- it is helpful for the book bag to have one keyring on so that your child is able to recognise the book bag.
- Clearly named coat
- Clearly named sun hat (when needed)

Your child does not need to bring in an additional rucksack with fruit or spare clothes (unless we have a separate arrangement that has been agreed). It is important that your child is able to be independent from the start, so less items to remember will help!

Happy hellos and great goodbyes- Part of the Mead way is to say hello and goodbye at the start and end of the day. Please encourage your child to say hello and goodbye!

Uniform

The nursery children look very smart in their new school uniform!

- Skirts and dresses are not part of our school uniform as they can be dangerous when climbing.
- Please make sure that your child wears shoes safe to climbing- trainers or plimsolls are perfect (only Velcro please!)
- Please also remember no jewellery is allowed as part of our school uniform policy. This includes earrings.

- Please name everything!
