

YEAR 1

YEAR 1

Coming up next week...
22.06.26

Maths

In Maths, we will be starting a unit on money. We will introduce the children to the term 'unitising' which helps them understand for example a 5 pence coin represents five 1 pence coins. One item does not need to represent a value of one. Then we will identify and recognise British coins and then look at notes.

English

Now our moral has been chosen, we know the characters in our story, the setting and planned how the lesson will be learnt ... it's time to start the writing of our own fable.

Phonics and Reading

We will be growing the code: /or/ daughter, pour, oar, more
Review word endings: ce se ze le al
Review gn kn mb dge ge g

Tricky words: Review previously learned words

VIPERS text: Lost in the Storm

Topic

Geography- This week we will be learning about physical and human features of England.

Science- Following sharing *The Gruffalo* by Julia Donaldson, we will be zoologists and go on a Gruffalo hunt. We will be recapping on our knowledge of animal features and using our science skills to observe, measure and record animal footprints.

RE - We will be exploring the question: How can we care for the world we all share?

Music - This week, we will be learning about pitch and rhythm.

PSHE- This week Milo will be helping us identify the difference between spending and saving.

PE- Due to Sports day we will only be having one additional PE lesson. This lesson will be on Wednesday for Badgers and Hedgehogs. Squirrels PE will be on Friday.

Additional notes and reminders

We will be using the field for outside PE lessons, so please be mindful if your child suffers from hay fever you may want to administer their medication on these days.

Class email addresses:

badgers@mead.surrey.sch.uk

hedgehogs@mead.surrey.sch.uk

squirrels@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
