

BUDDING ARTISTS

For children that
love drawing,
painting and
making

BUDDING ARTISTS AFTER SCHOOL CLUB

Fridays 3.05-4.05pm

Budding Artists is delighted to run after school art classes on a Friday afternoon at Mead Infant School. The classes start Friday 19th April and finish on 5th July. Every 1-2 lessons the children will produce and take home a piece of artwork they are proud of. They will draw inspiration from the 'masters of art' and learn to draw and experiment with a variety of different media. Projects often relate to seasonal events. As well as a fun and relaxing pastime, Art is great for your child's dexterity, creativity, problem-solving, confidence and well-being. Our goal is to make it your child's favourite hour of the week!

Budding Artists are organised by Carshalton based artist/teacher Jo Sharpe. All Budding Artists staff are CRB checked and very creative. We look forward to working with your children. There will be 11 classes in total and the cost is £90 for the half term. There are just 15 places so book quickly to avoid disappointment.

It is our hope that none of our children will be excluded from taking part in clubs on the grounds of cost. If your child is eligible for pupil premium, please let me know. The school is able to consider funding up to a maximum of one club per half term per child.

If you would like to book a place for your child, please book via my website: [Budding Artists - Children - Art Club | Surrey | After School \(jo-sharpe.co.uk\)](http://jo-sharpe.co.uk) with this information.
