

Learn to code with Code Camp afterschool!

Little Coders *Years 1 and 2*

Our incredibly popular Little Coders after-school club is designed for our youngest coders who want to learn the basic principles of coding in a fun, practical and exciting way. Building on the KS1 computing curriculum, students will learn about simple algorithms, loops, variables, animation, level design and more through coding their own simple games. Not to be missed!

Discover the basics of coding and take your first steps to becoming a coding superstar!
